Charlton's Only Dedicated News Resource

Livin' It Up On Night Out

The Charlton Playgroup's annual "Girl's Night Out" (GNO) – held at the Rex on Friday 13 March - provided a chance of escaping the gloomy coronavirus news for a couple of hours.

A major fundraiser for the group, the "Girl's Night Out" - now in its fifth year - has seen more than \$10,000 raised over the years and has offered a night of relaxation for those who attend.

A variety of stallholders, along with Charlton businesses "House To Home" and "Charlton Florist and Fashion" (which remained open for the night) gave the crowd an opportunity to browse and inquire about items from the eco-friendly to the artisan crafts.

GNO co-ordinator, Bree McPhee, said it

was exciting to see new stall holders come on board, especially new businesses in Charlton, a number of which operate from an online presence. These included The Rural Eco Store and Kindred Kreations. Other businesses represented came from Donald and Bendigo.

Interest in sustainable products, and the resurgence of macramé to create attractive and useable everyday items were amongst the eye-catchers, along with the ever-reliable Tupperware and beauty products.

"We really appreciate the support of all our stall holders" said Bree, "as they also generously donate items for our raffle which helps to boost our funds. We would also like to acknowledge Heenan's Charlton Authorized Newsagency for undertaking the

selling of tickets for our event."

President of the Charlton Play Group, Abby Mulquiny, said that support from near and far for the event was important, and she thanked stall holders and attendees for their commitment, especially this year with the uncertainty created by the Covid-19 escalation.

GNO was named the Charlton Event of the Year on Australia Day this year, and while the event brings the efforts of the Play Group's carers together, the strong outcomes of financial strengthening and community enjoyment have made it a welcome occasion on the social calendar.

The evening was rounded off with screening of the movie "Bombshell".

Above Left: Those supporting the event enjoyed the market-like atmosphere before the movie screened at 8pm.

*Editorial
Carolyn Olive*

Hello everyone,

Well what strange and difficult times we are in. I hope you enjoy this April edition of the newsletter. The decision was made to deliver the newsletter to all households in Charlton so no one missed out. Whether there is a May edition will depend on how much news there is to report.

On the farm we are having a bit of a dabble with some dry sowing as well as spreading gypsum, doing a spot of spraying, delivering hay and shearing—there's plenty going on.

Poor Justin's grand European adventure was cut short. He was in Italy when everything went pear-shaped. After a number of cancelled flights we managed to get him home and he is currently in isolation in his house in Melbourne.

Nick is home continuing his studies online and eating all our food. It's comforting to have the kids nearby during such difficult times.

I'm making the most of my clear calendar to work on the croquet book. I'm also helping to develop a new Charlton website which should be ready in a couple of months.

I'd like to wish Bruce Gardner & Annette Sherriff the best on their retirement. The tearooms have been a great place for a cuppa and a scone for many years and will be missed.

Cheers

- Three Bedrooms. Built in Robes.
- New Ceramic Hotplate and Wall Oven.
- Two way bathroom.
- Huge double carport. Garden shed.
- Fenced vegetable garden.
- Close to school and hospital.

This near perfect home with rural views is situated in the friendly little river town of Charlton that has all the amenities that you would ever need. These include a great little shopping centre, hospital, ambulance service, P12 College and Catholic Primary School.

Golden Grains Museum News

Greetings everyone from all of us here at the Charlton Golden Grains Museum. Well, there is not much that hasn't been said already about the crisis facing Australia and the world at present. In line with all the safe distancing practices and Government regulations, the museum will be closed to the public until further notice. Volunteers will be continuing the work on sorting and cataloguing our collection, and family research will still be available if required; once again following health safety guidelines. Our Bingo trip to Donald in May is unlikely to go ahead on the current advice.

Prior to the past couple of weeks we were continuing to make headway compiling an accurate catalogue of our items in the showcases and storage. This involves checking lists of what is on display with our records and updating if necessary. New items have been gratefully received and placed on show as appropriate, with work behind the scenes going on. As always, the

museum is happy to receive historic items with significance to Charlton, a local business or individual from the district. Please consider the history of an old photo or item before throwing it away. If you know the background behind the item, even better.

How did you go with last month's mystery item? It was a fantastic item donated by Malcolm Hudson from Noske Bros. They were grain scales from the 1920s used for weighing grain in bushels, and later used by Malcolm at the Charlton Grain Shed. For something a bit different this month we don't have a mystery item, but a mystery location. Somewhere around Charlton is this plaque for the planting of an oak tree in 1919 to commemorate the end of World War One. Do you know where? Good luck.

When things get back to some normality please consider joining us as a volunteer here at the museum. Another option to support the work is to become a Friend of the Museum. Cost

is just \$20 per year singles, or \$35 for a family and entitles you to unlimited entry to the museum. Until next month. Keep safe everybody.

Charlton & District Community Bank grants program to be conducted again in 2020

Charlton & District Community Bank Branch, in partnership with the Community Enterprise™ Foundation will open its 2020 Community Grants Program next month.

The program enables community organisations with good ideas to apply for funding from a pool of funds available to the local community from the community bank's profits.

"Charlton & District Community Bank Branch is proud to support the local community, and the Community Grants Program should enable many local organisations to develop significant projects", Community Bank chairman Jon Whykes said. "As well as smaller projects we are looking for some major projects that will aid the development of local communities and we hope that some of these will come forward. We encourage all community

groups and organisations with ideas for improving the community to apply," he said. "Our bank has business interests in Birchip, Boort, Charlton and Wycheproof and the board is looking for quality applications that can benefit these communities".

The program will be coordinated by Community Enterprise Foundation, the philanthropic arm of Bendigo Bank. Community groups and organisations with projects to develop and enhance North Central communities are encouraged to apply.

Applications will open next month and should be made via the website www.bendigobank.com.au/foundation

Potential applicants are encouraged to contact Community Enterprise Foundation by phoning 1300 304

Anzac Day 2020

ANZAC DAY 2020.

Anzac Day, the One Day of the Year, will be quite different this year to what we are used to participating in. There will be no wreath laying at the Cenotaph, no band, no march and no remembrance ceremony in the Shire Hall.

But Anzac Day WILL be commemorated in some form or another, even if with only one participant. Whether there will be a service, wreath laying, the Last Post played, a minute's silence observed for fallen and departed comrades and our flags – including our recently acquired New Zealand flag – flown, will depend on the public announcements by the government and by RSL closer to the

day. Whatever is decided, public health and safety must be our priority and for this reason the public will be asked not to attend.

Anzac Day badge sales have been booked for Monday 20 to Friday 24 April, but it is most likely that this will not take place due to Covid 19 concerns.

Whilst the public are asked to stay at home on Anzac Day, the RSL is asking that instead you tune in by radio or television to services, that you reflect on the service and sacrifice of our veterans and those who are still serving and that you remember our pledge as a nation; Lest We Forget.

Bill Freeman; Secretary, Charlton RSL Sub-Branch.

The Rex In Recess

In line with government coronavirus directives, the Rex's temporary closure began on Monday 23 March at midday.

With the cancellation of the Regional Arts Victoria live show "Splashtest Dummies" (scheduled for Easter Saturday) the week prior, and the acceleration of movie releases being withheld from distribution it meant that cinema operation was being ground to a halt even before closures were enforced.

Behind the scenes, however, work continues to make sure the Rex bounces back when the green light is given.

As our Facebook post says, "This is just intermission", and yes, we are busy planning for the future.

It was a real boost to be able to recently post the finished video clip of Melbourne punk band "Loose End" which was filmed at the theatre last December.

The track, "Discontent", showcases the Rex brilliantly and shakes up the auditorium like never before.

See the clip here: <https://www.youtube.com/watch?v=p9ULKLy0GHk>

And read more about the band here:

Charlton Junior Football Season Launch

On Sunday, 1st March, the Junior football club held their season launch at Wooroonook Lakes, with 70+ family members enjoying a BBQ Lunch. This year incorporated the Junior Netball and Hockey clubs as well, which made for a terrific family day. Thanks to the Hockey and Netball clubs

for supporting the day. It started with a welcome from club President Luke Zagame before dividing the players into teams and putting them through a skills session and obstacle course. The teams battled it out in the pleasant surrounds of the lake in perfect weather conditions and it was a very close result with each

team winning a stage during the sessions.

A family BBQ rounded out the day, which again was a huge success. The Club would like to thank all the players & parents who came along and enjoyed a great day.

Charlton Croquet Club

Coming Event: Saturday 3rd October 2020 – The Charlton Croquet Club will be celebrating 140 years since Croquet was first played in Charlton.

Croquet in Charlton has been played at five venues: In 1880 the lady promoters of the Croquet Club requested the attendance of members at practice on the afternoons of Mondays and Thursdays, on the ground adjoining the State School (Learmonth St). In 1906 the Croquet Club amalgamated with the Tennis Club and they played on the block adjoining the tennis court in Halliday Street. In 1910 croquet was played at the back of the Mechanics Institute on gravel scrapes. About 1920 croquet moved to the side of the Mechanics and shortly after planted grass to play on. In 1953 the Croquet Club moved to its current site at Gordon Park where four B Grade lawns were set up and these could be converted to two A Grade lawns.

If you have any photos, stories or memorabilia which we could use could you please contact Secretary Val or Anne 0408 547 973 or charltoncroquet@gmail.com.

Corella Watch: Unfortunately the corellas can't read so they do not know about social distancing. If you have been unable to take your turn at corella watch because of other commitments I am sure now is your chance to share the load. While doing corella watch you can get your exercise and fresh air by walking around the lawns or just sit & admire the sunrise or sunset.

Croquet next to the Mechanics Institute. Does anyone know who the woman pictured is?

Charlton Bowling Club

So much is happening outside the bowls world it is difficult to remember what has happened and when so if I have left you out I do apologise

Bowls Australia ruling as per government directives are No Bowls or roll ups.

The Men's Club games are now completed with Pat Connors, Richard Porter and Geoff Grose winning the Triples and preventing Kevin Willey from getting a clean sweep of all games, singles, 21 up, 100 up, pairs & fours. Kevin did win the 100 up defeating Richard Porter. The Ladies will not be playing the 100 up but have completed all other games including B

grade singles with Di Roberts being the winner over Judy O'Neil.

In the Pairs Judy was drawn to play with Patty Saltmarsh and much to their surprise went on to become runner up in the Champion of Champion Pairs losing to Wycheproof duo of Elvira Tierney and Lorraine Milburn. We had a great couple of days.

Our AGM is to be decided later as we have to abide by guidelines as we are all in high risk age group. As it is over a month away we have time but it would help if you have issues to think about them and perhaps write them down, also think about the

direction the club wants to go in. Can you help? Can you join the committee? Can you put your hand up to run a tournament or help with selection? What can you do to help your club become better?

Our end of year dinner is cancelled so maybe we can start a new start of season dinner.

Corella watch is on again due to the little pesky birds digging holes. Can you help with one morning or one afternoon a week? There is a list at the club and as this is single person at a time should not be an issue with self isolation. We will advise you if this alters.

Beautify Charlton - April Update

In our last contribution we noted 2020 will be a busy year with Mildura Way plantings to go ahead plus community engagement re Town Signage and Charlton's Notables.

Since that time we have seen on both a world and local scale a rapidly changing landscape plus many restrictions on population movement due to the Coronavirus epidemic.

To meet these changes, certainly in relation to matters which are regarded as non-essential. It has been decided the best course of action is to put the Town Signage and Charlton's Notables initiatives on temporary hold until we can get some clear air and start to move around and meet again with confidence. It is felt to

try and proceed otherwise will ultimately be counter-productive.

Our efforts until that time will be to continue watering as required, make sure replantings in High St happen OK and ensure Mildura Way can proceed this year as smoothly as High St did in 2019.

Everything else we have planned will certainly happen but inevitably there will be some delays ahead.

More information to come throughout 2020.

Follow us on Facebook @beautifycharlton.

Charlton Tennis Tournament

Back to Back Champions Crowned

Maddi Fitzpatrick and Troy Heenan have each gone 'back to back' claiming successive Charlton Lawn Tennis Club Singles Championships recently. While the home and away season concluded before finals could be played, an understandable, but still disappointing, end. After fighting and winning a spot in the North Central Tennis Association final four on a Saturday afternoon, players from the club had already

managed to play out the Singles, Doubles and Mixed Doubles Championships. The season culminating in the presentation dinner being held at the club rooms a few weeks back.

In the Ladies' A Grade, Maddi proved that last year's win, as one of, if not, the youngest women to do so at Charlton, was no fluke – prevailing against Sharon McLean in two tight sets. In getting to the final Maddi defeated veteran and 15 time Club Champion Rae Heenan in one semi-final, while Sharon made her way past Michelle Jenkyn in the other.

The Ladies' B Grade final saw a great, tight three set final played between Amy Nicolson and Emily Lanyon, with Emily eventually coming away with the win 6-7 6-

4 6-4. Amy and Emily defeated up and coming teenagers, Abby Thompson and Zara Jenkyn respectively on their way to the final.

In the Men's Singles, it was a battle of two families across the two grades. Troy Heenan overcoming Matt McGurk to claim successive A Grade titles, while on the next court Troy's son Mason was defeating Matt's father Trevor on his way to winning his first club singles title. The A Grade semi-finals saw Troy defeat Lindsay Patullo, and Matt out playing Wayne Southwell to reach the final.

The Mixed Doubles championships again saw a revolving partner format adopted, which after a great day of tennis, saw Troy Heenan and Abby Thompson anointed A

Above: Mixed Doubles—Troy Heenan (left), President, Trevor McGurk & Abby Thompson.

Above: Ladies' A Grade Singles—Maddie Fitzpatrick

Above: Ladies' Doubles—Abby Thompson (left), President—Trevor McGurk & Michelle Jenkyn

Charlton Tennis Tournament

Grade champions, with Mason Heenan and Michelle Jenkyn receiving the runners up trophies.

The Men's and Ladies' Doubles championships also saw a revolving partner format used, which saw everyone play with everyone and against everyone at least once. In the Ladies, Michelle Jenkyn and Abby Thompson had the best results and were crowned Ladies' champions. While in the men, Mason and Troy Heenan took out the title of Men's Doubles champions for 2020.

No modern Charlton Lawn Tennis Club presentation night is complete without the now infamous 'Henry's' club awards, named in honour of Mr. Bill Henry – the club's first Men's Singles Champion, that

have now been an institution since 2004. Whilst some of the Henry's presented on the evening highlight some of the not so proud moments of the season, gaffes and slip-ups not going unnoticed, the Gold Henry's are presented to the man and woman who have produced the best, most consistent results throughout the regular North Central Tennis Association Saturday competition. This year's Gold Henry winners were future stars of the Charlton club, Zara Jenkyn and Mason Heenan. Thanks must go to Sharon McLean who tirelessly scouts the courts, ears and eyes wide open seeking out memorable moments to be captured, and to Carmel Fitzpatrick, whose security of the results is tighter than

any bank and the Brownlow votes.

At the recent club committee meeting, the committee moved to redirect \$280 of fundraising funds that were going to be donated to a 'fire affected' tennis club, to the St Arnaud Tennis Club, who unfortunately have had to cancel their Easter Tournament.

In these uncertain times, the Annual General Meeting has tentatively been pushed back to August – obviously subject to confirmation, and hopefully we will be all able to get back on the court come September/October – until then stay safe and healthy.

Girls T20 Cricket

Girls T20 Cricket Cup

Charlton girls Lucinda Holmes-Brown and Maddison Fitzpatrick have been representing Wimmera Mallee in the Belles cricket team.

The third match was between the top two teams, the Wimmera Mallee Belles and Wimmera Roos. This game was played on the hard wicket at Horsham College. Spectators were not disappointed with what they saw, as the standard of play was high. Belles won the toss and elected to bowl, and were on the ball in the field taking a total of 10 (a team high) wickets. Lucinda took 3 wickets for 13 runs off 4 overs and Maddi 1 wicket for 11 runs off 3 overs. Maddi opened the batting and found the gaps well making 34 runs (off 20 balls) including 5 boundaries. Lucinda was a little more patient with the bat, making a total of 9 runs (off 20 balls).

Final score, Belles 118 runs off the bat + 10 wickets = 168 defeated Roos 76 runs off the bat + 6 wickets = 106.

The final round was played at the picturesque Dimboola ground. Belles and Lightning were scheduled to play on the

hard wicket. Lightning won the toss and chose to bat. Lucinda finished with 4 wickets off her first two overs, Maddi taking three catches and Lucinda one. Captain, Maddi opened the batting once again and provided great entertainment for the spectators scoring 53 off her 21 balls, including 10 boundaries. During her innings she was well supported by Lucinda who worked to keep Maddi on strike. Lucinda went on to score 16 runs (3 dismissals).

Final score, Belles 134 runs off the bat + 5 wickets = 159 defeated Lightning 83 runs off the bat + 5 wickets = 108. The recipient of the Horsham Cotton On player of the match voucher was Maddi, for her impressive 50, the first of the tournament.

Belles win Wimmera T20 Championship

After the completion of the game a presentation ceremony was held on the main oval. It was noted that all players had showed improvement over the duration of the tournament. The Belles were awarded the inaugural winners of the competition after going through undefeated. Each player received a medallion and the team was presented with the Wimmera Girls

Cricket Premiership Cup.

Maddison Fitzpatrick was also awarded player of the tournament. For this she received a signed Melbourne Stars playing shirt.

Charlton College News

Swimming Representatives

On the 6th of March Stella Nicolson and Heidi Start represented the Charlton College at the Sandhurst Division Swimming Carnival in Bendigo.

Above: Stella and Heidi keeping warm after their warm up swim.

Stella competed in the first event of the day, the 10 year old girls freestyle. Stella swam a solid race and finished 4th in her heat, 5th overall. Heidi swam in two, 11 year old girl events. The freestyle was an extremely close affair, Heidi narrowly missing out on first place, and after leading the butterfly for 30 metres, was overtaken and finished second in this also. Heidi swam two personal best times, so a magnificent effort. Congratulations to both girls on their efforts on the day.

Above: Heidi with her two second place ribbons

Werribee Zoo Excursion

On Monday 2nd March, students in Years 3 and 4 travelled down to Werribee Zoo. They participated in a 'Predator Prey' workshop and went on a safari bus tour around the grounds. In the workshop the students were given the opportunity to analyse animal skulls for features that show whether the animal is a 'predator' or 'prey'.

They were also given a behind the scenes tour of the vervet monkey bedrooms, showing where they sleep and spend their time indoors. The safari bus tour allowed students to see many animals up close, including several giraffes who were only metres from the road.

Brody: We saw a lot of lions. We went on a safari tour bus. It was really fun. We saw hippos. They were fat. There were monkeys and they were cute.

Cooper M and Jordan: I liked the lions, giraffes, hippos and monkeys.

Tamsyn, Rhys, Riley and Anna: At the zoo we saw monkeys and gorillas. The class went on the safari bus and saw giraffes and hippos. The best part was when we saw the giraffe eating the grass. We also took lots of pictures and videos.

Ruby, Erin and Stella: The first animals we saw was the monkeys, we got to go and

see their bedrooms. It was really cool as they had hammocks. Then we went on the safari bus and saw all the animals including giraffes, white rhinos, zebras and more.

Mitchell, Cooper and Oliver: The safari was really good because you could take pictures on the bus and we saw heaps of cool animals. It was also funny when the gorilla has its t-shirt on its leg and ran away from us. The rhino poo helped the animals smell like a rhino so predators would get scared. A monkey took the shell off an egg before eating it.

NGV Excursion

Reagan Good: At 6.00 am on Wednesday I woke up, it was freezing cold outside. Everyone had to be at school by 7.15am for the excursion because the bus was coming at 7.30am. The bus finally came and the 5/6 students got on the bus first, then the Year 7 and the Year 8. It was a long ride, but we finally got to the National Gallery of Victoria. After we got off the bus, we split up into groups. The Year 7 and Year 5/6 went to the garden and we all had a look around. Everyone then went to grab their lunch and we all sat outside to eat our food. After lunch everyone went to the educational thing and we sat in the room for along while. After that we split up into our groups again and we went to go see Keith Haring's and Jean-Michel Basquiat's art. After we were finished in the gallery, everyone went to McDonalds, and everybody took their orders, it took a while for everyone to order, but not as long as I thought. After everyone ate, we got back on the bus and went home.

Sarah Blair: Gushhhh! As soon as we saw the fountains I knew I was going to enjoy coming here, I couldn't wait to get inside. First, we split up in two groups and half went and had a look at the gardens which had a gorilla, a wire seat and a chain sculpture, it was amazing and then the other group went to look at the interactive

Above: View of the giraffes from the bus

Above: Ready to board the safari bus

playground which had lots of activities to do. Next, we laid on our backs and looked up at the beautiful roof, it was amazing! There were so many colours. Then, we had an introductory talk with a lady named Lily, about the two artists named Keith Haring and Jean Michel Basquiat. Then she answered all our questions (which was quite a few). After that we had some lunch which they provided us with, it was very yummy. We got a chicken sandwich, a juicebox, an apple and a biscuit. Then we went back inside and into the gallery to look at Haring and Basquiat paintings. We had to go back home, but on the bright side we got McDonalds!

Above: Max & Taylah

Fire Fundraiser

Many students in F-6 got into the spirit and supported the chosen school by dressing in Fire Fighter gear or the Australian themed clothing. While there were many fantastic costumes, Mrs Fahey as an Aussie BBQ was a standout!!

Above: Year 5 & 6

Year 3 & 4

Year 2

Foundation -
Year 1

Charlton College News

Golf Clinic

Students participated in four golf clinics. Each session was a little different, and the opportunity to hit golf balls was huge! There were sooooo many balls on the oval one day it turned white! Students even got to play a "round" of golf.

Above: Isabella hitting off the tee.

New Furniture

Our classrooms have had a revamp this week with all new tables and chairs. The green chairs look very fresh and match the building decor well. Students like the support provided by the moulded chairs.

The Year 5 & 6 students have participated in the Stephanie Alexander Kitchen Garden Program this term. They have had many experiences in the garden, with the animals and in the kitchen.

Above: Maggie with a chicken hatched at school

Above: Leigh with a strawberry from the garden.

Above: They have learnt to make pasta from scratch. Mrs Zagame can be seen above assisting Josie, Abbey and James.

Above: All ready to eat.

STEM WEEK

The College celebrated STEM (Science, Technology, Engineering & Mathematics) week. Throughout the week students were involved in a variety of activities over the course of the week.

Above: Year 5 & 6 had to build a bridge out of the material supplied that would support a weight, Sarah, Abbey and Reagan were successful.

Above: Year 2 made hovercrafts using an old CD, pop up bottle top and a balloon. These were very impressive! They even got to have races with them, and best of all they could explain how they worked.

Above: Foundation-One experimented with the absorption capacity of paper towel and made a walking rainbow.

SLC NEWS

From the Leaders Cobi, Courtney and Rose
Bushfire fundraiser

It was great to see students showing their support by dressing in firefighter or Australian themed clothing for our Bushfire Fundraiser day. Students in years 5 to 12 gained an insight into some different roles in the fire brigade through Brendan Byrne and Phil Ellis. We thank both Brendan and Phil for giving up their time to speak to the group.

There was also great support for the BBQ. On the day we were able to raise over \$500.

The BBQ was a busy place

Above: Guest speakers Phil Ellis (left) & Brendan Byrne.

Breakfast club bacon and egg sandwich breakfast

It was great that all students took advantage of the egg and bacon breakfast provided last Friday, ensuring they got off to a great start to the day.

Couches

The long awaited couches have arrived for the canteen. SLC have been provided these couches for students to socialise in comfort in the canteen. We trust that students will respect the couches so they remain in good condition for an extended period of time.

Cancelled & Postponed Events

Please note that all community face to face meetings, events, sport and organised gatherings are either postponed or cancelled for April and possibly longer.

Community events postponed or cancelled include:

Lions Market—cancelled

RSL ANZAC Day Service Charlton—Cancelled

Deb Ball—postponed until September

Rex Theatre—Splashtest Dummies & The Merger—postponed until 2021

Café Culture—(May) Cancelled

Charlton College Mothers' Day Fete—Cancelled

All organized sports activities are postponed including badminton, football, hockey, netball, bowls, croquet, golf & the fishing comp.

I encourage community groups to stay in touch using email, social media or online conferencing so that you can keep members up to date, deal with operational matters and continue work on various projects. We can then be fully prepared when life returns to normal.

To all the groups who sent in cancellation notices, I decided that pages full of cancelled events was way too depressing so chose to make a general announcement instead. Thank you. Carolyn (editor)

Charlton Neighbourhood House

It's hard to imagine just three months ago we didn't know that COVID-19 existed. Now we all know what we need to do to keep ourselves and our loved ones from becoming infected - basic hygiene, physical distancing in public and staying home to stop the spread.

This virus has turned our worlds upside down. It has disrupted our routines, activities and ability to freely move and do what we want. It has impacted on our lifestyle, livelihood and community interactions. However, it is **OUR** responsibility, as a community, to help flatten the curve and reduce the spread.

We must trust science, infectious disease experts, public health officials and our elected politicians. We must action their directives, follow their advice and use common sense at all times.

We must leave behind social norms and traditional business ways. We have already seen many examples of creative thinking and adaptability.

As a resilient, resourceful and compassionate community we must rise to this challenge and find innovative solutions, seize new opportunities and in the months ahead we must support local.

Local Residents.
Local Businesses.
Local Organisations.

It is a tough, scary and difficult time, but working together we can help each other through this.

Yours sincerely

Kaylene Cossar
President Charlton NH

#we are all in this together

Charlton Forum

Coronavirus (COVID -19)

The Charlton Forum together with Charlton Chamber of Commerce & Industry and Charlton Neighbourhood House are encouraging all residents of Charlton to follow the Government advice and to keep up to date on the latest development regards the virus.

We ask that all residents make themselves aware of the services available and ask if you are unsure or unable to access information or services. Help is available by contacting **0473 759 456**.

Working together is the key to getting through this and this is something Charlton has been very good at over the years

Over the coming weeks/months as we move forward we will provide regular updates and information as it's available.

The Charlton Forum will provide the Community Newsletter free to all households and it will be delivered directly to your mail box.

I can be contacted personally and my office will remain open as long as I'm permitted to, please feel free to contact me with any issues you feel need to be addressed.

Stay Safe & Healthy

Yours Sincerely

Alan Getley
President Charlton Forum
PH 0419 513 170

Charlton Chamber of Commerce

The Charlton Chamber of Commerce & Industry is proud of our community and the businesses that operate within.

Our businesses remain committed to our community and, where and how allowed, are continuing to serve to the best of our abilities and resources.

Together we will overcome this challenging time, together we are stronger, please continue to shop local, now and on the other side, our local businesses are going to need you.

This is a time for understanding how we can help each other, a time for looking out for each other, a time to show our community spirit.

Our businesses are endeavouring to service the Charlton community as best they can.

Some have their doors open, others are happy to do business with a phone call and deliveries. We will do what we can to help everyone through this.

Please call a local business to see what services they are providing, or what hours they are open. Many will have flags, signs and balloons out the front to indicate they are open, but all are available at the end of a phone.

Stay safe, stay healthy, stay home.

Yours sincerely

Troy Heenan
President Charlton CCTI

We just wanted to let you know that you are not alone during this pandemic and if you are in need of assistance, we are here to help.

The Charlton Neighbourhood House has volunteers who may be able to assist with the following:

- Collecting Medicines
- Collecting urgent supplies
- Posting mail
- A friendly phone call

Just call or text 0473-759 456 and they will do their best to help you (for free).

Please remember Coronavirus is very contagious. Our volunteers will take every precaution to ensure they are only spreading kindness. They will avoid physical contact, will remain a minimum of 2 metres distance and will drop goods on the doorstep for you.

If you are leaving items for them to collect, please wash your hands before handling the items.

If you have any concerns for yourself, your friends and neighbours, your business or the Charlton community as a whole, please let us know.

We are talking weekly to the organisations that can assist.

Contact either by phone 0473-759 456 or email coord@charltonnh.org.au

The Charlton Forum Community Car is still available for transporting clients to non-urgent medical appointments as a user pay service, thanks to the volunteer drivers. Bookings can be made by contacting our Community Car Officer Deb on **0438-549 274**.

#Charlton Connect #Be Kind # Be Safe

We are creating daily Facebook posts to help brighten the day of the Charlton community and provide information and activities to keep us all connected. So make sure you like our FB page.

One of these activities is

'We are going on a bear hunt..'

We're Going on a Bear Hunt
Michael Rosen Helen Oxenbury

We are encouraging people to place a bear, or something to bring joy in your window or yard that can be 'discovered' by those walking or driving by.

Please make sure that by passersby can not touch.

As we lead into Easter we ask that perhaps you change your display to an Easter theme and the week of ANZAC perhaps hang a homemade poppy or rosemary as a sign of remembrance.

Finally, let's acknowledge how wonderful our local government, health services and local retailers and services have been during this terrible time. It has not been easy to plan and prepare when each day brings a new set of challenges. Collectively they have ensured that Charlton is well placed to combat COVID-19, ensuring success is up to us.

On behalf of the residents of Charlton, we say

thank
you!

Charlton Harness Racing Club News

'CLOSED' CUP DAY 2020

Like everywhere else, one could only describe the last few weeks at the Charlton Harness Racing Club as a tumultuous and ever changing landscape. Whilst plans were well afoot to welcome guests and locals on course for our return Cup Day (last year being held at Melton), the situation changed rapidly on the Friday prior to the Cup.

After much consultation with Harness Racing Victoria throughout the day, and keeping an eagle eye on the cancellation of major events in Melbourne, the Committee unanimously decided that the welfare of our town must come first – therefore a Cup Day with a difference was to ensue.

Whilst it was incredibly disappointing to have to cancel the eighty people booked in for a luncheon, those who had secured marquees for the day, invited guests including our loyal sponsors, along with the many ladies who had pencilled in the morning to support the St. John Of God 'Bubbles in the Bush' fundraiser for Team Teal/ Ovarian Cancer, the situation demanded a big call.

At the time the only people allowed on course were race day staff trainers, strappers, drivers, owners and the Mediatec boys, who are responsible for beaming the coverage to the outside world.

Despite all of this our host Rob Auber did a magnificent job interviewing participants and winners throughout the day which was streamed live through Trots Vision, allowing those interested to be a virtual part of the day.

Our congratulations go to the Charlton and District Community Bank Pacing Cup Winner Fourbigmen, trained by Emma Stewart and driven by Greg Sugars. And to the very excited band of owners led by Fred and Elizabeth Crews.

Above: Pacing Cup winner—FourBigMen & connections with Joe.

The Svanosio Camp were deserved winners of the North West Ag Services Trotters Cup with Magicool.

Another highlight of the day was a local win for Greg Norman with Edwin Bromac – particularly as the Cormack Racing Team who have been great supporters of our club over recent months had made the trip from their base in Adelaide.

On a more sombre note the third feature race of the day was dedicated to Bruce Lampard, a founding member of the local Fanatics group, who sponsor this Cup Day Three Year Old Classic each year. Leon Fanning gave a fitting reminder to all that Bruce, whilst gone too soon, will always be fondly remembered particularly on this day every year.

We acknowledge the tremendous help we received from all of our local sponsors who help make the day possible along with a tremendous contribution from the Victorian State Government.

Above: GMC Financial Group winners—Cormac Racing Team & Edwin Bromac.

And so we thank all of our members, who although missed out on being at the Cup were so very supportive and understanding of the decision made, and optimistic about 2021!

Also a big thanks to the footy and netball clubs who gathered at the Cricket Club Hotel to watch from afar, have a bet and support the day as best they could.

We look forward to 2021 when surely our club's luck will change!!!

DJA DJA WURRUNG CUP DAY

Our second feature meeting of the year, the Dja Dja Wurrung Cup Day went ahead under even stricter protocols on Sunday March 29th.

Owners were no longer allowed to attend and every person entering the course was temperature tested before leaving their car.

HRV have implemented stronger initiatives in order to keep all participants safe, and to minimise the movement around the course. It is hoped that by doing this the industry will be able to keep running albeit under restricted conditions.

Strictly licensed only participants with horses engaged were allowed to attend and this was policed by security at the only entrance to the track. Participants and horses were spread out over the course and there was no congregating as trainers were required to leave the course as soon as possible after their race.

Whilst it was again disappointing to have to cancel plans to host the Dja Dja Wurrung people, they too followed along via Trots Vision and cheered home Masserati driven by John Caldow in their namesake cup.

Charlton Harness Racing Club News

The club enjoys a most respectful and collegiate relationship with the Dja Dja Wurrung People and we look forward to planning a Cup Day to further strengthen this in 2021.

MAJOR CHANGES TO CHARLTON HARNESS RACING

To update all of our members and those that follow harness racing, there have been some major developments that affect the Charlton Harness Racing Club from April 2nd.

Harness Racing Victoria have released a new racing calendar that is designed to even further limit the travel for participants, in line with public health recommendations in order to slow the spread of the coronavirus.

Racing will now be conducted within 6 defined districts, restricted to the participants from those areas.

This means that Charlton trainers will only be able to race at Bendigo, being our designated track for the Central region. All foreseeable Charlton meetings will be transferred to Bendigo.

Drivers will only be allowed to drive in the zone closest to where they live.

All stringent checks and movement protocols will be strictly enforced within this new model.

As Rob Auber, General Manager of the Victorian Harness Racing Club stated, "HRV has had to make some tough decisions to maintain the continuity of racing. Moving to a regional based model gives this sport the best chance to succeed."

We hope he is right.

MARCH WINNERS

AZTEC INTI – JOHN TORMEY

GOLLAHGOLD – BUSHY LODGE

EDWIN BROMAC – GREG NORMAN

THE DEAL – GREG NORMAN

MEMBER RAFFLE NIGHT TO CONTINUE...SORT OF!

Despite not racing at Charlton for the next few months, or perhaps even longer, the Charlton Harness Racing Club is very conscious of not losing contact with our many members who continue to support the club in an active way.

Unfortunately we will not be able to gather as a group for our monthly raffle at The Cricket, but as of Friday 3rd of April we will still be conducting our raffle to be streamed live via our Facebook page from Bushy Lodge at 7pm. We have some special guests of the four legged variety for you all to meet!

Of course this could all go so terribly wrong and most likely will, but tune in anyway.

We are looking for innovative ways to stay in touch so if you have any ideas let us know!

Finally we ask you all to hang in there with us and look to better times ahead – they will come.

Charlton Probus Club

The Annual Meeting of the Charlton Probus was held March 13th 2020. John Sutton inducted our new President Eily Rosewall, and a new Committee was elected. After the meeting a short slide show on activities from the past year was followed by an enjoyable lunch provided by Sue Livingstone and her helpers.

Birthdays for March: Russell Round, Garry Larmour, Rose Stafford, Helen Hooper Heath, Pat Sutton, Sue Livingstone and Gill Gretgrix.

Due to the current restrictions put in place by our Governments caused by the Coronavirus/COVID – 19, the Charlton Probus Club will go into recess until further notice.

Right: March Birthdays. Back L to R. Gill Gretgrix, Sue Livingston, Russell Round, Gary Larmour. Front—Pat Sutton.

Below: 100% Attendance. L to R—Sandra Patton, Sue Livingstone, Nita Perry, Marg Bowen, Beth Curnow, Graham Curnow and Russell Round.

Above: John Sutton congratulating new President Eily Rosewall.

Thank You

Dawn and George Parish's family would like to sincerely thank the Charlton community for the wonderful way they embraced and cared for George during his brief illness. As many of you know George was a very active 87 year old and while the last two months were tremendously challenging for him he bore it with dignity and determination.

The family would like to thank members of the Charlton Bowling and Croquet club who visited and asked after George. In particular, the preparation of the clubrooms where a tribute to George was held was a wonderful example of community and club spirit and we are forever grateful to you all.

Thank you to the Charlton and Wycheproof Brass band who played for George at the Charlton Aged Care facility and at the graveside service. As a band member for over 60 years George was thrilled when the band played for him and would have been tremendously honoured to have the band playing his favourite pieces at the graveside.

For the last month of his life George came back to Charlton and his illness prevented him from returning to his home. The Charlton Aged Care facility became his second home. We would like to thank all the staff for their humour, kindness and care

given to George and his family.

Finally thank you so much to the Charlton community for embracing Dawn with your love. Every kind gesture, every card and every hug has helped enormously.

We will miss our beloved dad but we know he is in the stars and in the music we love, in the green grass and in the wind.

Do not stand at my grave and weep
I am not there; I do not sleep.
I am a thousand winds that blow,
I am the diamond glints on snow,
I am the sun on ripened grain,
I am the gentle autumn rain.
When you awaken in the morning's hush
I am the swift uplifting rush
Of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry,
I am not there; I did not die.

Charlton CWA Cabbaritta Juniors

The girls met on the 20th March to work with air dry clay. Pendants, earrings, necklaces and small animals were happily made.

Juniors are in recess for the time being, but we will get going again.

We spoke about the CWA exhibition into which the girls were going to enter some work. Unfortunately this is also on hold.

Maybe you can continue with some craft work at home including cooking, HAVE FUN.

Donna, Bernice, Jo and Moira

North Central Garden Club

Garden Club members met on Tuesday the 24th March. To keep up with regulations, and the safety of the community, meetings will be cancelled till further notice.

The Open Gardens planned for October will also be in doubt as to whether we can proceed with that, however with the isolation in progress there will be lots of time for all the odd jobs in and around the garden.

Bill Larmour was the guest speaker and he spoke of his interest in cactus which started some 40 years ago. The Garden is set on an expansive area (2 acres) with many interesting varieties of cactus., plus some very interesting farm art and sculptures. Bill showed a magnificent display of cactus in flower—very colourful. Members had the chance to take home some very special cuttings from Bill's collection.

Open garden at Bill's property, Long View Buckrabanyule, has been cancelled this year.

Our Club wishes everybody to stay strong. Plant out some herbs and continue to keep an eye out for the fruit fly.

St Martin's Messenger

Our church doors may not be open at present but our prayers for all will NEVER cease

Dear Readers,
Please be assured that you are all in our thoughts and prayers and know that your belief and commitment to everyone in

need is mirrored by our belief and commitment in you and to God.

As our churches will remain closed for public worship until further notice, please find some alternative methods of worship below that you may like to access.

Television

On television the long running show, "Songs of Praise", screens on the ABC channel at 11.30am each Sunday. What an opportunity to turn the volume up and sing out loud. Now, for those of you who have not watched this show before, it is like Karaoke in church, where the words are provided on the screen to sing along to.

And if you miss the episode, you can find the current episode and back episodes to watch at any time on the television on the ABC iView function.

Online services

Please find below a link for online worship that is being provided by the Anglican Diocese of Bendigo.

You can watch these services at any time. The service duration is around 20 minutes.

They are available to watch by going to the Diocese of Bendigo website

Search for "Anglican Diocese of Bendigo" in your search engine or type in the link below and it will take you straight there.
<http://www.bendigoanglican.org.au/online-worship/>

When you are ready to commence, click on the play button in the picture. This service is also accessible via YouTube. Here is the link - type the link below in and it will take you straight there.
<https://www.youtube.com/watch?v=xR5HBBaFExw&feature=youtu.be>

Encourage each other

May these worship opportunities encourage us in our faith and reassure us in hope, as we continue to show care and compassion to our families, our communities and our neighbours the world over. We are connected by this pandemic and it is through keeping this connection that we can take up our role in encouraging each other.

"If your gift is to encourage others, be encouraging. If it is giving, give generously. If God has given you leadership ability, take the responsibility seriously. And if you have a gift for showing kindness to others, do it gladly."

Romans 12:8

A good old fashioned phone call

My contact details are below, so if you would like to have a chat over the phone, please give me a call. (Don't forget to leave a message so if I do not answer straight away, I can call back)

East Wimmera Parish—St Joseph's Church

In line with government directives aimed at slowing the spread of the coronavirus St Joseph's Church will be closed to the public until further notice.

"Mass for You at Home" is on Channel Ten at 6.00 Sunday morning.

Below are some links to online Masses and prayer forums for those who wish to participate:

1. St Patrick's Cathedral, Melbourne: The 1.00pm Mass is streamed live daily (Mon-Fri) Sunday Mass is available, with the 11.00am Mass live streamed. Watch here: <https://melbournecatholic.org.au>.
2. Mass for You at Home: This program has been allowing the faithful to participate in Mass from their homes for many years. Mass for You at Home is broadcast on Eleven and Network Ten on Sundays and Aurora Channel on Foxtel every day. Watch at: <http://www.mfyah.com/video.html> or <https://10play.com.au/mass-for-you-at-home>
3. Pope Francis' daily Mass: Pope Francis' daily Masses are available online through the Vatican's website and YouTube channel. Watch here: <https://www.vaticannews.va/en/pope-francis/mass0casa-santa-marta.pagelist.html>

Our Diocesan Community

The latest edition of ODC and eNews is now available to read online at www.ballarat.catholic.org.au under "News and Events"

The Final Mass for St Joseph's Church Nullawil has been postponed – date to be advised.

If you would like a copy of the weekly bulletin (cover only with readings & reflection) please email anne.kenny5@bigpond.com or ph 5491 1673.

Although this is a time for social distancing physically it is a time to maintain social connection through phone calls etc.

If you need any support or Sacrament of Anointing please contact
Fr Jim 0418 664 083

Charlton Friends of the Red Cross

Several of our members have attended sites following the Bushfires in Gippsland and have provided Support and assistance to affected persons.

Many homes were lost, extensive damage to others and the lives of whole communities affected in many ways.

We tend to forget that, among the structural loss, the income of many has stopped, as in the case of the Abalone processing factory in the area. This has far reaching effects and will mean drastic changes for many workers; some being forced to move away and seek other employment resulting in more disruption to families.

Please know that the Red Cross fundraising is genuine and many grants have already been distributed as soon as an application is processed.

We are very proud of all those who assist in the recovery process and be reassured, all the help and support is very much appreciated.

THANK YOU EVERYONE!
